

RESOLUTION NO. 2019-09-02

**RESOLUTION OF THE BOARD OF DIRECTORS OF THE BELLEVIEW PLACE
METROPOLITAN DISTRICT ADOPTING THE DESIGN GUIDELINES AND RULES
AND REGULATIONS OF BELLEVIEW PLACE METROPOLITAN DISTRICT**

1. The Belleview Place Metropolitan District (the “**District**”) is a quasi-municipal corporation and political subdivision of the State of Colorado located in the County of Arapahoe, Colorado.
2. The District operates pursuant to its Service Plan approved by the City Council of the City of Aurora, Colorado on March 5, 2018, as the same may be amended and/or modified from time to time (the “**Service Plan**”).
3. Pursuant to Section 32-1-1001(1)(m), C.R.S., the District has the power “to adopt, amend and enforce bylaws and rules and regulations not in conflict with the constitution and laws of this state for carrying on the business, objects, and affairs of the board and of the special district.”
4. Century at Belleview Place, LLC, (the “**Developer**”) has caused to be recorded the Covenants and Restrictions of Belleview Place Townhomes, originally recorded on December 20, 2018, at Reception No. D8124179, and re-recorded on January 14, 2019, at Reception No. D9003535 of the County of Arapahoe, Colorado, real property records, as the same may be amended and/or modified from time to time (the “**Covenants**”) applicable to the real property within the District (the “**Property**”).
5. Pursuant to Section 32-1-1004(8), C.R.S., and pursuant to the District’s Service Plan, a metropolitan district may provide covenant enforcement within the District if the declaration, rules and regulations, or any similar document containing the covenants to be enforced for the area within the metropolitan district name the metropolitan district as the enforcement and design review entity.
6. The Covenants provide that it is the intention of the Developer to empower the District to provide covenant enforcement services to the Property.
7. Pursuant to the Covenants, the District may promulgate, adopt, enact, modify, amend, and repeal rules and regulations concerning and governing the Property and the enforcement of the Covenants.
8. The District desires to provide for the orderly and efficient enforcement of the Covenants by adopting rules and regulations.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE BELLEVIEW PLACE METROPOLITAN DISTRICT:

1. The Board of Directors of the District hereby adopts the Design Guidelines and Rules and Regulations of Belleview Place Metropolitan District as described in Exhibit A, attached hereto and incorporated herein by this reference (“**Rules and Regulations**”).

2. The Board of Directors declares that the Rules and Regulations are effective as of July 26, 2019.

3. Judicial invalidation of any of the provisions of this Resolution or of any paragraph, sentence, clause, phrase or word herein, or the application thereof in any given circumstances, shall not affect the validity of the remainder of this Resolution, unless such invalidation would act to destroy the intent or essence of this Resolution.

APPENDIX A: Architectural Review Request Form		21

1 INTRODUCTION

1.1 Basis for Design Guidelines and Rules and Regulations

These Design Guidelines and Rules and Regulations (the “Guidelines”) are intended to assist Owners living in the Belleview Place community (the “Community”). Pursuant to the Covenants and Restrictions of Belleview Place (“Covenants”), recorded at Reception No. 2018000089029 the Belleview Place Metropolitan District (“District”) is authorized to adopt rules and regulations for the Community.

1.2 Definitions

All capitalized words and phrases used in these Guidelines shall have the meaning provided in the Declaration unless otherwise defined herein.

1.3 Contents of Guidelines

In addition to the introductory material, these Guidelines contain (A) a summary of procedures for obtaining approval from the ARC (see Section 2); and (B) a listing of specific types of improvements that Owners might wish to make with specific information as to each of these types of improvements (see Section 3).

1.4 Architectural Review Committee or Representative

The ARC consists of person(s), representatives or a committee appointed to review requests for approval of architectural or site changes.

1.5 ARC Contact Information

The contact information of the ARC, persons, committee or representative authorized to administer the architectural review process is:

COMPANY NAME	OFFICE	FAX	E-MAIL
Peggy Ripko Special District Management Services	(303) 987-0835	(303) 987-2032	pripko@sdmsi.com

1.6 Effect of Declaration

The Declaration governs the Community. Each Owner should review and become familiar with the Declaration. Nothing in these Guidelines supersedes or alters the provisions or requirements of the Declaration and, if there is any conflict or inconsistency, the Declaration will control.

1.7 Effect of Governmental and Other Regulations

Use of property within the Community and any Improvements must comply with any applicable building codes and other governmental requirements and regulations. Owners are encouraged to contact Arapahoe County (“County”) and the City of Centennial (“City”) for further information and requirements for Improvements they wish to make.

APPROVAL BY THE ARC DOES NOT CONSTITUTE ASSURANCE THAT IMPROVEMENTS COMPLY WITH APPLICABLE GOVERNMENTAL REQUIREMENTS OR REGULATIONS OR THAT A PERMIT OR APPROVALS ARE NOT ALSO REQUIRED FROM APPLICABLE GOVERNMENTAL BODIES.

1.8 Interference with Utilities

In making Improvements to property, Owners are responsible for locating all water, sewer, gas, electrical, cable television, or other utility lines or easements. Owners should not construct any Improvements over such easements without the consent of the utility involved, and Owners will be responsible for any damage to any utility lines. All underground utility lines and easements can be located by contacting:

**Utility Notification Center of Colorado
1-800-922-1987**

1.9 Goal of Guidelines

Compliance with these Guidelines and the provisions of the Declaration will help preserve the inherent architectural and aesthetic quality of the Community. It is the responsibility of the ARC to ensure that all proposed Improvements meet or exceed the requirements of these Guidelines and to promote the highest quality design for the neighborhood. It is important that Improvements to property be made in harmony with and not detrimental to the rest of the Community. A spirit of cooperation with the ARC and neighbors will go far in creating an optimum environment, which will benefit all Owners. By following these Guidelines and obtaining prior written approval for Improvements to property from the ARC, Owners will be protecting their financial investment and will help insure that Improvements to property are compatible with standards established for the Community. If a question ever arises as to the correct interpretation of any terms, phrases or language contained in these Guidelines, the ARC’s interpretation shall be final and binding.

2 PROCEDURES FOR ARC APPROVAL

2.1 General

The procedures set forth in this Article 2 are intended to clarify the terms, provisions and requirements of Article 2 of the Declaration. In the event of any conflict between these

Guidelines and the Declaration, the terms of Article 2 in the Declaration shall control. As indicated in Section 3 of these Guidelines, there are some cases in which advance written approval of the ARC is not required if the Guidelines with respect to that specific type of Improvement are followed. In a few cases, as indicated in Section 3, a specific type of Improvement is not permitted under any circumstances. In all other cases, including Improvements not included in Section 3, advance, or prior written approval by the ARC is required before an Improvement to property is commenced.

2.2 Drawings or Plans

Owners are required to submit to the ARC a completed Architectural Review Request Form (“ARR”), which forms are available from the person or entity listed in Section 1.5, and complete plans and specifications, in duplicate, (said plans and specifications to show exterior design, height, materials, color, location of the structure or addition to the structure, plotted horizontally and vertically, location and size of driveways, general plan of landscaping, fencing, walls, windbreaks and grading plan, as well as such other materials and information as may be required) prior to commencement of work on any Improvement to property. In most cases, the materials to be submitted will *not* have to be professionally prepared by an architect, a landscape architect, or draftsman, and a simple drawing with dimensions and description will be sufficient. In the case of major improvements detailed plans and specifications, prepared by a licensed architect, may be required. Whether done by the Owner, or professionally, the following guidelines should be followed in preparing drawings or plans:

- A.** The drawing or plan should be done to scale and shall depict the property lines of your Lot and the outside boundary lines of the home as located on the Lot. If you have a copy of an improvement survey of your Lot obtained when you purchased it, this survey would be an excellent base from which to start.
- B.** Existing Improvements, in addition to your home, should be shown on the drawing or plan and identified or labeled. The proposed Improvements should be shown on the plan and labeled. Either on the plan or on an attachment, there should be a brief description of the proposed Improvement, including the materials to be used and the colors. For Example: Redwood deck, ten (10) feet by twelve (12) feet with two inch by four inch (2”x4”) decking and natural stain.
- C.** The plan or drawing and other materials should include the name of the Owner, the address of the home, the lot, block and filing number of the Lot, and the e-mail address and telephone number where the Owner can be reached.
- D.** The proposed Improvements must take into consideration the easements, building location restrictions and sight distance limitations at intersections.
- E.** Owners should be aware that many Improvements require a permit from the County, the City or other governmental entity. The ARC reserves the right to require a copy of such permit as a condition of its approval.

- F. In some instances, elevation drawings of the proposed Improvement will be required. The elevation drawings should indicate materials.
- G. Photographs of existing conditions and of proposed materials and colors are encouraged to be included, and are helpful to convey the intended design, but should not be used solely to describe the proposed changes.

2.3 Submission of Drawings and Plans

Two copies of the drawing or plans (minimum acceptable size 8.5" x 11") must be submitted to the ARC along with a completed ARR. Color photographs, brochures, paint swatches, etc. will help expedite the approval process. Specific dimensions and locations are required.

Any costs incurred by the ARC for review of submittals shall be borne by the Owner and shall be payable prior to final approval. Any reasonable engineering consultant fees or other fees incurred by the ARC in reviewing any submission will be assessed to the Owner requesting approval of the submission.

2.4 Action by ARC

The ARC review plans as they are submitted for approval. The ARC may require submission of additional information or material, and the request will be deemed denied until all required information and materials have been submitted. The ARC will act upon all requests in writing within forty-five (45) days after the complete submission of plans, specifications, and other materials and information as requested by the ARC. If the ARC fails to review and approve in writing (which may be with conditions and/or requirements) or disapprove, a request for architectural approval within forty-five (45) days after the complete submission of the plans, specifications, materials and other information with respect thereto, such request is deemed approved by the ARC.

2.5 Revisions and Additions to Approved Plans

Any revisions and/or additions to approved plans made by the Owner or as required by any governmental agency, must be re-submitted for approval by the ARC. The revised plans must follow the requirements as outlined above.

2.6 Completion of Work

After approval (which may be with conditions and/or requirements) of any proposed Improvement by the ARC, the proposed Improvement shall be completed and constructed as promptly and diligently as possible, and in complete conformity with all conditions and requirements of the approval. Failure to complete the proposed Improvement within one year from the date of the approval or such other date as may be set forth in the approval or as set forth in the Declaration (the "Completion Deadline"), shall constitute noncompliance; provided, however, that the ARC may grant extensions of time to

individual Owners for completion of any proposed Improvements, either (a) at the time of initial approval of such Improvements, or (b) upon the request of any Owner, provided such request is delivered to the ARC in writing and the Owner is diligently prosecuting completion of the subject Improvements or other good cause exists at the time such request is made.

2.7 Inspection of Work

The ARC, or its duly authorized representative, shall have the right to inspect any Improvement at any time, including prior to or after completion, in order to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Section.

2.8 Notice of Non-Compliance

If, as a result of inspections or otherwise, the ARC determines that any Improvement has been done without obtaining all required approvals (which may be with conditions and/or requirements), or was not done in substantial compliance with the approval that was granted, or has not been completed by the Completion Deadline, subject to any extensions of time granted pursuant to Section 2.6 hereof, then the ARC shall notify the District, and the District shall then notify the applicant in writing of the non-compliance (the "Notice of Non-Compliance"). The Notice of Non-Compliance shall specify the particulars of the non-compliance.

2.9 Correction of Non-Compliance

If the ARC determines that a non-compliance exists, the Person responsible for such non-compliance shall remedy or remove the same within not more than forty-five (45) days from the date of receipt of the Notice of Non-Compliance. If such Person does not comply with the ruling within such period, the ARC shall notify the District, and the District may, at its option and if allowed by applicable law, record a notice of non-compliance against the Lot on which the non-compliance exists, may impose fines, penalties and interest, may remove the non-complying Improvement, or may otherwise remedy the non-compliance in accordance with the Declaration and applicable law. The Person responsible for such non-compliance shall reimburse the District, upon demand, for all costs and expenses, as well as anticipated costs and expenses, with respect thereto.

2.10 Amendment

These Guidelines may at any time, from time to time, be added to, deleted from, repealed, amended, and modified, reenacted, or otherwise changed by the ARC, with the approval of the Person authorized to appoint the ARC, as changing conditions and/or priorities dictate.

2.11 Questions

If you have any questions about the foregoing procedures, feel free to call the ARC at the phone number and address listed in the Section 1.5 of these Guidelines.

3 SPECIFIC TYPES OF IMPROVEMENTS / SITE RESTRICTIONS

3.1 General

The following is a listing, in alphabetical order, of a wide variety of specific types of Improvements which Owners typically consider installing, with pertinent information as to each. Unless otherwise specifically stated, drawings or plans for a proposed Improvement must be submitted to the ARC and written approval of the ARC obtained before the Improvements are made. In some cases, where it is specifically so noted, an Owner may proceed with the Improvements without advance approval if the Owner follows the stated guideline. In some cases, where specifically stated, some types of Improvements are prohibited. ARC review and approval is required on any external items not be listed below.

3.1.1 Variances

Approval of any proposed plans by the granting of a variance from compliance with any of the provisions of these Guidelines is at the sole discretion of the ARC when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require, as outlined in the Covenants.

3.1.2 No Unsightliness

No unsightly conditions, structures, facilities, equipment or objects, shall be so located on any Unit as to be visible from a street or from any other Unit.

3.1.3 Waivers; No Precedent

The approval or consent of the ARC to any application for approval shall not be deemed to constitute a waiver of any right to withhold or deny approval or consent as to any application or other matters whatsoever, as to which approval or consent may subsequently or additionally be required. Nor shall any such approval or consent be deemed to constitute a precedent in any other matter.

3.1.4 Liability

The ARC and the members thereof shall not be liable in damages to any person submitting requests for approval or to any approval, or failure to approve or disapprove in regard to any matter within its jurisdiction. The ARC shall not bear any responsibility for ensuring structural integrity or soundness of approved construction or modifications, or for ensuring compliance with building codes and other governmental requirements. The ARC will not make any investigation into title, ownership, easements, rights-of-way, or other rights appurtenant to

property with respect to architectural requests and shall not be liable for any disputes relating to the same.

3.2 Additions and Expansions

Additions or expansions will not be approved.

3.3 Address Numbers

Approval is required to replace, alter or relocate existing address numbers, unless the address numbers are replaced using the same style, color and type of number currently on the residence.

3.4 Air Conditioning Equipment

Approval is required for all air conditioning equipment including evaporative coolers (swamp coolers) and attic ventilators installed after the initial construction.

Approval is not required for replacement of existing air conditioning equipment with like equipment located in the same location as the equipment being replaced.

No heating, air conditioning, air movement (e.g. swamp coolers) or refrigeration equipment shall be placed or installed on rooftops, or extended from windows. Ground mounted or exterior wall air conditioning equipment installed in the side yard must be installed in a manner so as to minimize visibility from the street and minimize any noise to adjacent property Owners.

3.5 Animals*

No animals, livestock (pigs, cattle, horses, goats, lamas, etc.), birds, poultry, reptiles or insects of any kind may be raised, bred, kept or boarded in or on the Units except as permitted by, and in compliance with, the ordinances of the City. An Owner's right to keep household pets is coupled with the responsibility for collecting and properly disposing of any animal waste and to pay for all damage caused by such pets.

3.6 Antennae/Satellite Dishes

3.6.1 General Provisions

"Permitted Antennas" are defined as (a) an antenna which is less than one meter in diameter and is used to receive direct broadcast satellite service, including direct-to-home satellite services, or is used to receive or transmit fixed wireless signals via satellite; (b) an antenna which is less than one meter in diameter and is used to receive video programming services via multipoint distribution services, including multichannel multipoint distribution services, instruction television fixed services, and local multipoint distribution services or is used to receive or transmit fixed wireless signals other than via satellite; (c) an antenna

which is designed to receive broadcast television broadcast signals; or (d) other antennas which are expressly permitted under applicable federal statutes or regulations. In the event a Permitted Antenna is no longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section. Installation of Permitted Antennas shall not require the approval of the ARC.

- A. All Permitted Antennas shall be installed with emphasis on being as unobtrusive as possible to the Community. To the extent that reception is not substantially degraded or costs unreasonably increased, all Permitted Antennas shall be screened from view from any street and nearby Lots to the maximum extent possible, and placement shall be made in the following order of preference:
 - (1) Inside the structure of the house, not visible from the street
 - (2) Rear yard or side yard, behind and below the fence line
 - (3) Rear yard or side yard, mounted on the house, in the least visible location below roofline
 - (4) Back rooftop
 - (5) Front yard screened by and integrated into landscaping
- B. If more than one (1) location on the Lot allows for adequate reception without imposing unreasonable expense or delay, the order of preference described above shall be used, and the least visible site shall be selected.
- C. Permitted Antennas shall not encroach upon common areas or any other Owner's property.

3.6.2 Installation of Antennae/Satellite Dishes

- A. All installations must comply with all applicable building codes and other governmental regulations, and must be secured so they do not jeopardize the safety of residents or cause damage to adjacent properties. Any installation must strictly comply with FCC guidelines.
- B. All Permitted Antennas shall be no larger, nor installed more visibly, than is necessary for reception of an acceptable signal.
- C. Owners are responsible for all costs associated with the Permitted Antenna, including but not limited to costs to install, replace, repair, maintain, relocate, or remove the Permitted Antenna.
- D. All cabling must be run internally when feasible, must be securely attached, and must be as inconspicuous as possible. Permitted Antennas, masts and any visible wiring may be required to be painted to match the color of the structure to which they are attached. The Owner should check with the installer/vendor for the appropriate type of paint.

E. All other antennas, not addressed above, are prohibited.

3.7 Awnings

Approval is required and Owners must comply with all requirements of the County and the City. Awnings should be an integral part of the house or patio design. The color shall be complimentary to the exterior of the residence.

See Section 3.34, Overhangs/Sunshades/Awnings – Cloth or Canvas.

3.8 Balconies

See Section 3.16, Decks.

3.9 Barbecue/Gas Grills

Approval is required for all permanent or built-in structures. Approval is not required for portable units.

3.10 Basketball Backboards

Basketball backboards are not permitted.

3.11 Birdbaths

Birdbaths are not permitted.

3.12 Birdhouses and Bird Feeders

Birdhouses and bird feeders are not permitted.

3.13 Carports

Approval will not be granted.

3.14 Clothes Lines and Hangers

Approval is not required, subject to the following limitations. Clotheslines may not be placed in any areas owned or maintained by the Metropolitan District. Fixed clotheslines and hangers are not permitted.

3.15 Cloth or Canvas Overhangs

See Section 3.34, Overhangs/Sunshades/Awnings – Cloth or Canvas.

3.16 Decks

Existing decks cannot be extended. Changing existing railings and/or balusters require approval.

3.17 Dog Houses

Dog houses will not be approved.

3.18 Dog Runs

Dog runs will not be approved.

3.19 Doors

Approval is not required for an already existing main entrance door to a home or an accessory building if the material matches or is similar to existing doors on the house and if the color is generally accepted as a complimentary color to that of existing doors on the house. Complementary colors would be the body, trim or accent colors of the house or white (for storm/screen doors).

- A. Storm Doors. Approval is not required for storm doors as long as the door is complimentary with the color scheme of the home. Owners wishing to utilize a different color must first obtain approval.
- B. Security Doors and Windows. All security or security-type doors and windows must be approved prior to installation.

3.20 Drainage

The Covenants require that there be no interference with the established drainage pattern over any property. Adverse effects to adjacent properties, including District lands, sidewalks and streets, will not be tolerated.

3.21 Driveways

Approval is required for any changes or alterations to driveways. Only clear sealant may be used on the driveway (no colors) and Owners will be required to maintain the driveways against oil spills, spalling/peeling/etc.

3.22 Evaporative Coolers

Approval is required. No rooftop or window mount installations are allowed.

See Section 3.4, Air Conditioning Equipment.

3.23 Exterior Lighting

See Section 3.31, Lights and Lighting.

3.24 Fire Pits

Fire pits are not permitted.

3.25 Flags/Flagpoles

Approval is required for any freestanding flagpole; no pole can be placed in any areas owned or maintained by the Metropolitan District.

Approval is not required for flagpoles mounted to the front of the residence provided that the flags displayed thereon (if other than an American Flag) are temporary in nature and are only displayed on holidays or in celebration of specific events. They must not be placed earlier than thirty (30) days prior to the start of the particular holiday/event or celebration and must be removed no later than thirty (30) days following the particular holiday/event or celebration. Under no circumstance may the height of the flagpole exceed the height of the roofline of the residence. Flag size cannot exceed five (5) feet in length and three (3) feet in width.

American Flags: Owners shall be permitted to display an American flag in accordance with the Federal Flag Code and as follows:

- A.** The flag shall be no larger than three (3) feet by five (5) feet.
- B.** The flag may be displayed in a window or from a flagpole projecting horizontally from a location on the front of the dwelling.
- C.** Flags and/or flagpoles shall be replaced as necessary in order to prevent wear and tear.
- D.** Flags may not be illuminated without prior written approval of the ARC. Any request for lighting must detail the type and location of lighting. Lighting shall be placed so as not to disturb Owners of neighboring Lots.

An Owner or resident may display a service flag bearing a star denoting the Owner's or resident's or his family member's active or reserve U.S. military service during a time of war or armed conflict. The flag may be displayed on the inside of a window or door of the home on the Lot. The flag may not be larger the nine (9) inches by sixteen (16) inches.

3.26 Grading and Grade Changes

See Section 3.20, Drainage.

3.27 Hanging of Clothes

See Section 3.14, Clothes Lines and Hangers.

3.28 Hot Tubs and Jacuzzis

Hot rubs and Jacuzzis are not permitted.

3.29 Kennels

Approval will not be granted.

3.30 Landscaping

All landscaping is maintained by the Metropolitan District. Any alterations to landscaping will be removed at Owner's expense.

3.31 Lights and Lighting

Approval is not required for replacing existing lighting, including coach lights, with the same or similar lighting style and color as originally installed.

Approval is required to modify or add exterior lighting.

Approval is required to install motion detector spotlights, spotlights, floodlights or ballasted fixtures (sodium, mercury, multi-vapor, fluorescent, metal halide, etc.).

- A. Considerations will include, but may not be limited to, the visibility, style and location of the fixture.
- B. Exterior lighting for security and/or other uses must be directed at the ground and house, whereby the light cone stays within the property boundaries and the light source does not cause glare to other properties (bullet type light fixtures are recommended).
- C. Ground lighting is only permitting in planting beds directly adjacent to front and/or back porch. Any damage caused will be repaired at Owner's expense.
- D. Holiday lighting and decorations do not require approval. It is required that they not be installed more than forty-five (45) days prior to the holiday. They shall be removed within thirty (30) days following the holiday.

3.32 Nuisances

No nuisance is permitted which is visible within or otherwise affects any portion of the Property. A "nuisance" includes violation of Section 3.2 of the Covenants.

3.33 Ornaments/Art

Not permitted in any areas owned or maintained by the Metropolitan District..

3.34 Overhangs/Sunshades/Awnings- Cloth or Canvas

Approval is required. An overhang should be an integral part of the house or patio design. The color must be the same as, or generally recognized as, a complementary color to the exterior of the residence. A swatch of material to be used must be provided with the review submittal.

3.35 Painting

Approval is not required if color and/or color combinations are identical to the original manufacturer color established on the home and/or accessory improvement. Any changes to the color scheme must be submitted for approval and must conform to the general scheme of the Community.

3.36 Patios

Existing patios cannot be extended. Changing existing railings and/or balusters require approval.

3.37 Pipes

Approval is required for all exterior pipes, conduits and equipment. Adequate screening may also be required.

3.38 Poles

See Section 3.25, Flags/Flagpoles.

3.39 Pools

Wading/temporary pools are not permitted in any areas owned or maintained by the Metropolitan District.

See Section 3.28, Hot Tubs and Jacuzzis.

3.40 Radio Antennae

See Section 3.6, Antennae/Satellite Dishes.

3.41 Roofing Materials

Approval is required for all roofing materials other than those originally used by the

Builder. All buildings constructed on a Lot should be roofed with the same or greater quality and type of roofing material as originally used by the Builder.

Approval is not required for repairs to an existing roof with the same building material that exist on the building.

3.42 Satellite Dishes

See Section 3.6, Antennae/Satellite Dishes.

3.43 Saunas

Not permitted.

3.44 Screen Doors

See Section 3.19, Doors.

3.45 Seasonal Decorations
